

Integration Beyond Access

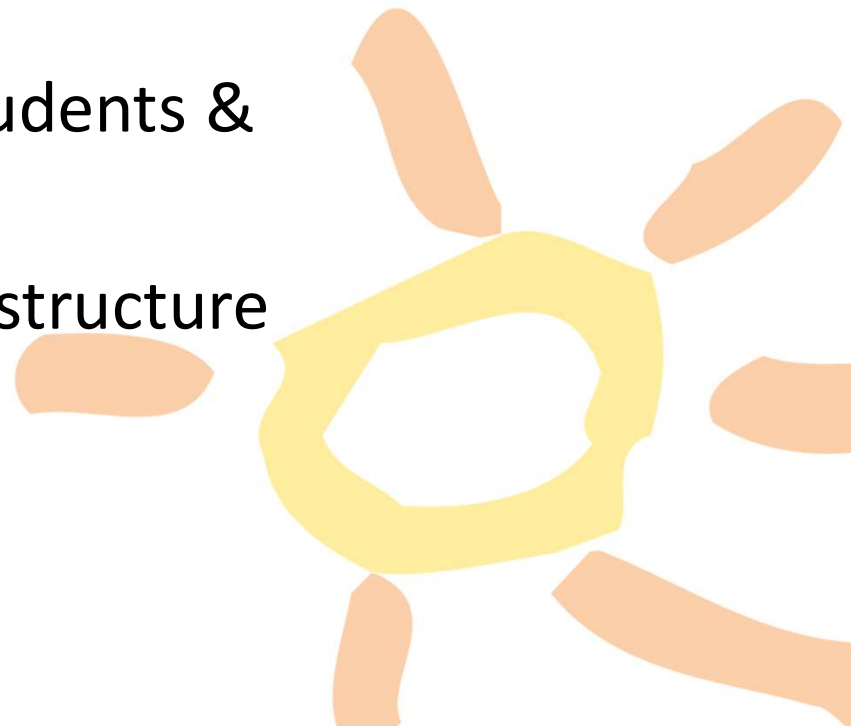

Paige Bowlin, LISW-S - Behavior Health
Counseling Supervisor

Jami Luggen - Oyster Resource Coordinator

Where we started...

- Needs Assessment-Partnership must haves
- Immediate Support
- Provider Consistency & Availability
- Classroom Support
- Wide Array of Services for Students & Families
- Integration into Existing Infrastructure

What we did...

- Mental Health from Onboarding to Shared Outcomes
- Holistic Approach to Student Success
- Family Centered Focus
- Development of a Comprehensive Data System
- Intense Behaviors Analysis

Results

- Comprehensive, Collaborative and Supportive Partnership
- Improved High School Graduation Rate
- Development of Family Welcome Center
- Data System that Informs Work
- Intense Behaviors Recommendations

Where we're going...

- Continuing to Build Upon Multi-Year Robust Student Focus
 - Proactive identifying students
 - Build more time to do deeper data analysis
 - Implement action plans from Intense Behavior Recommendations
- Expand Partnership
 - Hiring IECMH Therapist
 - Go deeper with Parent and Caregivers
 - Increase Staff Development & Support
