

# Summer Camps 2026

---

Summer is a time for children and families to recharge and for children to have the opportunity for enrichment! MindPeace put together this resource list of summer camps for children and teens who have mental health needs. To add a new resource, please email [info@mindpeacecincinnati.com](mailto:info@mindpeacecincinnati.com). Additional materials for families and professionals, including [Virtual MindPeace Rooms®](#), are also available on our website at [www.MindPeaceCincinnati.com](http://www.MindPeaceCincinnati.com).

## **Financial Needs:**

Many summer camps do come at a cost. If this is a barrier, speak with the summer camp to see if there are scholarships available or if you may qualify for financial assistance. If your child is a part of OhioRISE, speak with your care coordinator to understand if your child's "primary flex funds" are available to help with the costs.

## **About MindPeace:**

MindPeace is a non-profit organization working to ensure that every child and adolescent has access to an effective system of mental health and wellness. Our team works with youth, their families, schools and the community to find mental health solutions.
